Spikeball

Spikeball is a team sport played by two teams of two players. Opposing teams line up across from each other with the Spikeball net in the center. The ball is put in play with a serve—a hit by the server from behind the service boundary into the net to an opposing player. Teams will play Monday night for 4 weeks, at 7:00PM, in the Hubbling Park. Schedules will be handed out in late May and will start June 4, 2018. We will need a minimum number of participants to offer the activity. Please register by April, 2.

Registration Fee is \$40 per 2 player team.

Frisbee Golf (Best Ball Style)

Disc golf is played much like traditional golf. Instead of a ball and clubs, however, players use a flying disc or Frisbee. The sport was formalized in the 1970's and shares with "ball golf" the object of completing each hole in the fewest strokes (or, in the case of disc golf, fewest throws). Teams of 2 will play Wednesday night for 4 weeks, at 7:00PM, in the Westside Park. Schedules will be handed out in late May and will start June 6, 2018. We will need a minimum number of participants to offer the activity. Please register by April, 2.

Registration Fee is \$40 per 2 player team.
