Attached to this letter is an application for utilities from the City of Hull, which should be completed, signed and returned to the City Office. Please complete even if you own your home as we need a copy for our records. The City utilities include water, sewer and garbage/recycling. There is a \$25.00 registration fee for all new customers (including re-location of existing customers).

If you rent a home or live in a mobile home, you are required to pay a deposit of \$150.00 (one-hundred fifty dollars) for these services. Should you move out of Hull or buy a home, this deposit will be refunded to you upon your request when the final bill is paid.

Please complete the application and return it with the \$150.00 deposit and \$25.00 registration fee before your water will be turned on. If you have any questions, feel free to contact our office. Thank you.
