

2020 Hull Aquatic Center Policies and Procedures

With safety and health concerns surrounding the COVID-19 pandemic, Hull City Officials and the Hull Aquatic Center Management team, in consultation with the Iowa Department of Public Health, and the CDC considerations, have developed these policies and procedures to help us provide a safe and fun swim environment in and around the pool area.

HULL AQUATIC CENTER POLICY SUMMARY

Customer Policies:

We ask if you are feeling sick or experiencing any symptoms such as coughing or shortness of breath you do not visit the waterpark.

All visitors are always encouraged to follow the 6 ft social distancing guidelines , this includes line entrances into the pool.

Visitors can bring their own lounge chairs to use. We will not be setting out our loungers.

We encourage youth guests to bring beach towels or beach pads for use on the deck and grass areas throughout the waterpark.

Bathrooms, locker rooms, door handles, handrails, concessions area and high touch areas will be cleaned and disinfected at least hourly throughout the day by dedicated disinfecting staff.

Disinfectant spray and paper towels will be available for use from the concession stand.

Hand sanitizer will be available at the front desk, concession stand and near the outside bathrooms.

All concessions will be single use items. Customers are advised to stay 3 steps behind the next person in line.

Anyone who is sick or refuses to follow the guidelines put in place will be required to leave the facility.

SLIDE AND BOARD POLICIES:

Customers will maintain all 6-foot social distancing rules while waiting in line by staying 3 steps away from the next person.

Staff Policies:

Employees will be required to have a no-touch temperature taken when they arrive at work.

Employees who appear to have symptoms upon arrival at work or who become sick during the day will immediately be sent home.

Lifeguards will not be required to wear a mask, but masks will be available and can be worn if they would like (not allowed on the lifeguard stands)

Lifeguards will keep their rescue tubes with them, their own hip pack with PPE (including sanitizer, gloves and breathing barrier). It is the lifeguard's responsibility to disinfect each evening.

Concession stand attendants will be required to wear gloves while handling any food. They can wear a mask if they choose to.

The Front Desk will have a sneeze barrier in place.

If an employee is confirmed to have COVID-19 infection, the Hull Aquatic Center will inform fellow employees of their possible exposure to COVID-19 in the workplace but maintain confidentiality as required by the Americans with Disabilities Act (ADA). The Hull Aquatic Center will instruct fellow employees about how to proceed based on the CDC Public Health Recommendations for Community-related exposure.

It is the personal responsibility of each guest to follow the guidelines set in place as you swim at your own risk. If you are sick or have a health condition that puts you or the public at risk, please stay home. We ask for understanding during this season. Please be respectful of our staff members, they are following guidelines we have put in place.

All policies will be re-evaluated July 1st and could change at any time. If you have any questions, please call Todd or Denise at the Hull City Office 712-439-1521.
